Observations for a Better World

**VAISALA**

# Observations for a Better World

# Our Heritage

# Our Founder

Dr. Vilho Väisälä

- Innovator and scientist
- Pioneer in modern-day meteorology
- Founded Vaisala in 1936

# Inspired by Curiosity

# Because Accuracy & Reliability Matter

Weather systems and decision support solutions for:

- Planning maintenance
- Improving efficiency and traffic flow
- Reducing accidents at trouble spots

# Safety, Efficiency and Better Decision Making

# Visit our Booth!

- Ask us about device control and how Colorado DOT & Oregon DOT have reduced accidents at trouble spots
- View our decision support software
- Ask us about mobile weather systems
- Watch a video about Vaisala in Transportation

A young girl with dark hair, wearing a blue and white striped t-shirt, stands in a vast field of tall green grass. She has her arms raised high in the air, palms facing up, and is looking upwards with a joyful expression. The background shows a line of trees under a bright, slightly hazy sky.

# Thank You.

# Stay Curious!
