Our newly formed Citizens Advisory Committee is getting started on the development of a draft RTA continuation plan. Read more here: bit.ly/RTAprojectnews #transportation

Meet the Citizens Advisory Committee

We all know that transportation requires planning for the future. Citizens from across the region are working together to provide input on transportation planning efforts and long-range funding needs. The Citizens Advisory Committee (CAC) will develop a Regional Transportation Subarea (RTS) continuation plan with technical input. It will monitor and guide the implementation process. Each CAC member comes to the table with a unique perspective.

Each week through December of 2018, we will be highlighting video interviews with these different...

What is PAG?

Pima Association of Governments is a nonprofit metropolitan planning organization with four divisions:

- Transportation Planning
- Sustainable Environment
- Technical Services
- Transportation Services (RTA)

PAG Governance

PAG is governed by a nine-member Regional Council/RTA Board with the chief elected official serving from each member jurisdiction.

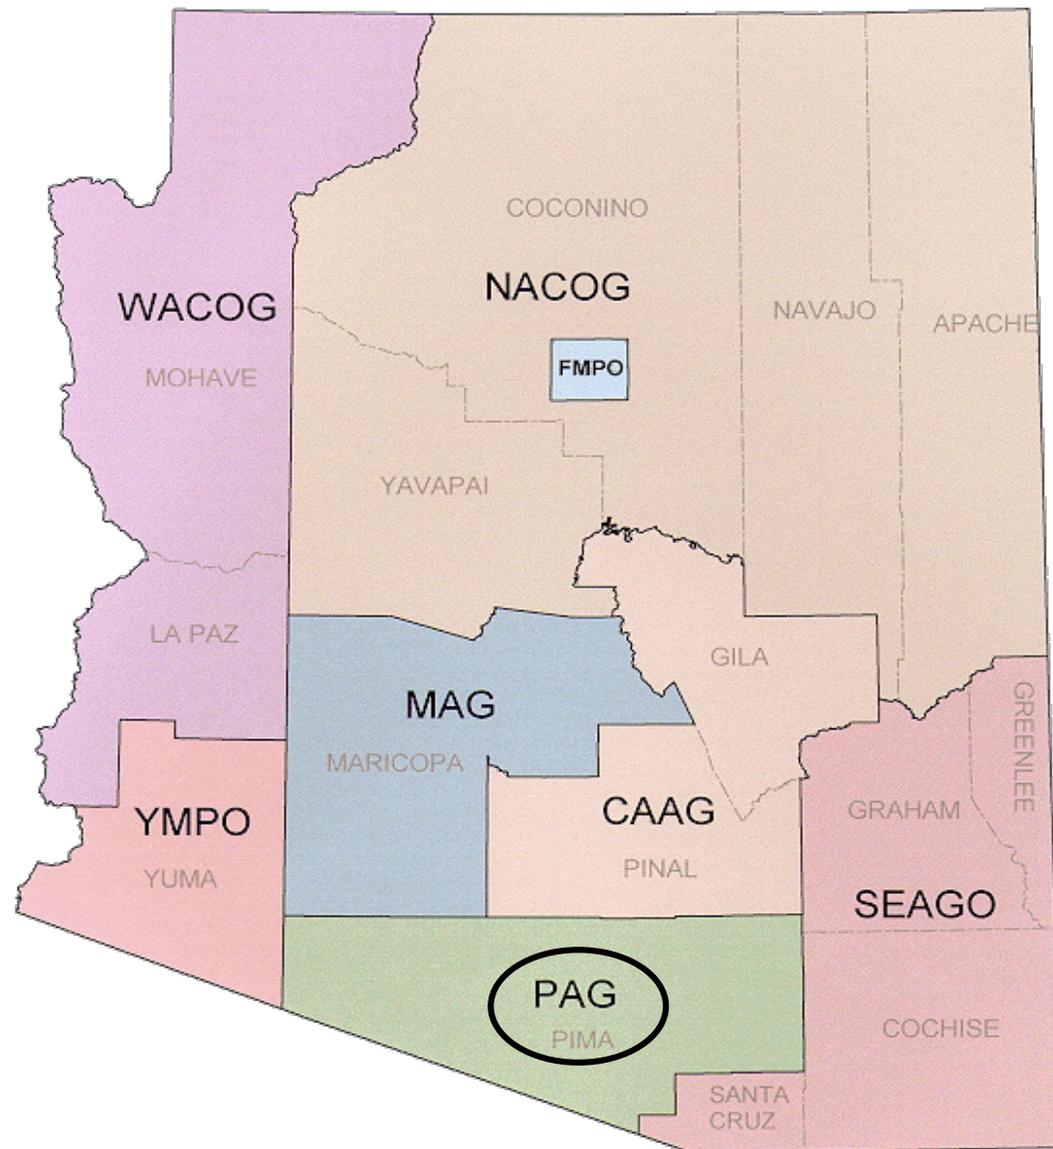

PAG Mission

Pima Association of Governments' mission is to address regional issues through cooperative efforts and pooled resources, and to provide accurate, relevant data that leads to effective regional planning decisions.

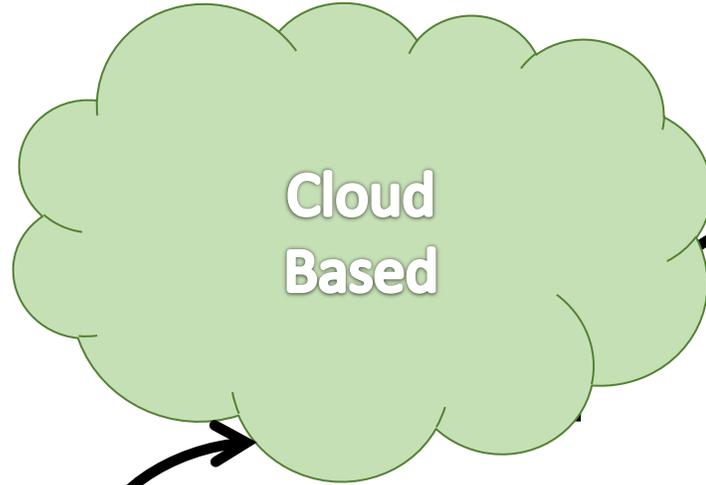

Regional Context

- Pima Association of Governments (PAG) is MPO for Tucson, Arizona
- 9 member agencies:
 - 2 cities, 3 towns, 1 county, state, 2 Indian tribes
- Tucson metropolitan area consists of approximately 1,000,000 people
- Heavy reliance on arterial network
 - Over 75% of vehicle miles traveled on arterials
 - Over 600 traffic signals
 - 24.4 minute average commute time
